WORK EXPERIENCE

Product Design Intern | LanguageX
06/2020 - Present | Remote
*Portfolio page password: **exploreLX**

• Collaborate with PMs, engineers, and stakeholders to help define product requirements and roadmap in an Agile environment
• Oversee the end-to-end user experience of LanguageX from conception to MVP launch
• Create user flows, wireframes and interactive prototypes for web application using Figma and Framer
• Lead usability testing sessions and synthesize results to guide design strategy

UX Design Intern | Biolog-id
06/2020 - 07/2020 | Atlanta, GA

• Worked cross-functionally to research and design dashboard solutions while taking in all aspects of what is required for the product
• Designed and implemented UI for products and worked with developers to ship product to clients
• Executed redesign of internal and client-facing Data Analytics dashboard using Figma to improve user flow and maintain consistency

Learning Design Graduate Research Assistant | Georgia Tech
08/2019 - 05/2020 | Atlanta, GA

• Edited course lesson videos, modules and powerpoints for online masters degree programs provided by Georgia Tech Professional Education
• Designed visual graphics to aid e-learning

Freelance Video Editor | CNN
08/2018 - Present | Atlanta, GA

• Edit and craft content for CNN en Español, CNN Newsource & International
• Work with producers to fulfill video requests and publish content to affiliates

SELECT PROJECTS

UX Researcher & Designer | Mentors@GT
01/2020 - 01/2020

• Designed and prototyped a mobile app using InVision to connect Georgia Tech student mentors and mentees with one another

UX Designer & Developer | Sea Turtle Adventure
10/2019 - 12/2019

• Designed visuals and developed generative educational game using JavaScript that demonstrates the pollution in the oceans and the impact on sea turtles
