WORK EXPERIENCE

Product Design Intern | LanguageX

06/2020 - 08/2020 | Los Angeles, CA (Remote)

- Collaborated with PMs, engineers, and stakeholders to define product requirements and road map in an Agile environment
- Oversaw the end-to-end user experience of LanguageX from conception to MVP launch
- Designed user flows, wireframes and interactive prototypes for web application using Figma and Framer
- Lead usability testing sessions and synthesized results to guide design strategy

UX Design Intern | Biolog-id

06/2020 - 07/2020 | Atlanta, GA (Remote)

- Worked cross-functionally to conduct research and design dashboard solutions while taking in all aspects of what is required for the product
- Designed and implemented UI for products and worked with developers to ship product to clients
- Executed redesign of internal and client-facing Data Analytics dashboard to improve user flow and maintain consistency

Learning Design Graduate Research Assistant | Georgia Tech

08/2019 - Present | Atlanta, GA

- Edit course pages, lesson videos, modules, and powerpoints for online masters degree programs provided by GT Professional Education
- Design visual graphics to aid e-learning

Freelance Video Editor | CNN

08/2018 - Present | Atlanta, GA

- Edit and craft video content for CNN en Español, CNN Newsource, International and digital
- Work with producers to fulfill video requests and prioritize workload
- Verify videos and publish content to affiliates
